31 August 2015

The GPT Group (GPT) Reconciliation Action Plan (RAP) will be developed in consultation with employees across our organisation including employees who identify themselves as Aboriginal and/or Torres Strait Islander as well as Aboriginal and Torres Strait Islander stakeholders.

The GPT RAP will identify actions, timelines and aspirational targets for enhancing relationships, respect and opportunities with and for Aboriginal and Torres Strait Islander Peoples.

GPT will continue to show respect to Australia's first people. We commit to producing a substantial and authentic RAP to be embraced by employees and stakeholders of GPT as well as reporting to Reconciliation Australia on the progress of GPT's RAP annually.
