

Reconciliation

take the next step

National Reconciliation Week 2005 27 May – 3 June

Five years ago, almost a million people walked across bridges in support of reconciliation. Today we have new opportunities to build better relations between Indigenous and non-Indigenous Australians for the benefit of us all. We need your support. National Reconciliation Week is a time to turn beliefs and ideas into action. Take the next step and make a difference. www.reconciliation.org.au 02 6273 9200
